

THE RIVERIE BY KATATHANI, CHIANG RAI

Katathani collection is proud to present one of the most iconic landmark of Chiang Rai, The Riverie by Katathani. The Riverie by Katathani applies International Management standard to welcoming guests from around the world for pleasure, leisure, meetings and conventions.

The Location

Nestled on an island in the middle of the Kok River, embraced by an exquisite garden landscape of beautiful trees, plants and colorful seasonal flowers. The Riverie by Katathani is conveniently located in the city centre, providing the perfect gateway to the unique sights and sounds of the region, including soaring mountains, lush forests, serene rivers, ancient temples and colorful Hill Tribe cultures.

The Brand Concept:

Elegance : “Elegance is simply always memorable.”

Bold, sophisticated structural elements are at the heart of The Riverie. Reminiscent of the Golden Triangle, the main structure is both striking and unique, pointing elegantly towards the flowing Kok River.

Warmth & Charm : “Genial ambiance meets charming hospitality”

Warm colors and delightful details are woven throughout the property to create an elegant ambiance that matches Chiang Rai’s thoughtful and charming hospitality.

Classic-Contemporary : “Honor the past; embrace the future.”

The Riverie seamlessly blends the quintessential with the modern; creating the perfect marriage between classical culture and contemporary living.

Quality : “Intentional excellence is our quality standard.”

At the core of Katathani Collection is a dedication to the pursuit of quality at every facet.

The Accommodations

All 271 rooms and suites have been thoroughly renovated in the Lanna contemporary style reflective of the rich culture and history of Northern Thailand.

“Classic meets Contemporary”

Classic:

Each room features distinctive cultural elements: Lanna-style lamps (Khom Thammajak, an ages-old Buddhist Art form) lighting the way toward the realization of aspirations. The elegant Lanna lotus flower pot design (Puranakata) adorns each bed’s headboard, symbolically beckoning wealth and prosperity to our guests, with the pot symbolizing rich abundance and the flower blossoms symbolizing prosperous growth.

Contemporary:

Each room has also been upgraded with new furnishings, air conditioning systems and lighting systems. Entirely new bathrooms and modern amenities such as USB ports, universal plugs, new upgraded bedding and an updated keycard system, allowing guests to enjoy the perfect blend of a classic and contemporary hotel experience.
